1.0 AIMS OF THE LETTINGS POLICY

- 1.1 Racing Homes' main objective is to provide good quality, rental accommodation for young people working in and older people retired from the Thoroughbred racing and breeding industry (The Racing Industry), at an affordable rent. We aim to allocate houses to people who have a genuine housing need.
- 1.2 The Lettings Policy consists of an Application Process and an Allocation Process. Once applicants have completed the Application Process, providing they meet the necessary criteria, they will be placed on the relevant Housing Register. When accommodation becomes available, it will be offered to applicants on the relevant Housing Register, according to the Allocation Policy.
- 1.3 The Application and Allocation Policies detailed below are designed to identify applicants for each Housing Type and allocate available properties in a fair and transparent way.

2.0 HOUSING TYPES

Racing Homes' property portfolio can be divided into four main Housing Types as listed below. Applicants will be allocated to the Housing Register for the Housing Type which is most suited to their needs.

- **Type 1 – Young Peoples Accommodation.**
This Housing Type is designed for people working in the industry between the ages of 16 and 24. Priority will be given to people under the age of 18 undertaking industry related training courses.
- **Type 2 – Older People Accommodation**
This Housing Type is designed principally for people aged 55 years and over. Only applications from people aged 50 years and over who have worked in the industry for 15 years or more, or is the widow or widower of someone who fills these criteria, will be processed.
- **Type 3 – General Needs Adapted Accommodation**
This Housing Type is designed for people of any age who have disabilities and/or health needs.

Note: With the agreement of the Director of Welfare and Property Manager, Racing Homes reserves the rights to directly let its properties to any applicants who meet the eligibility criteria.

4.5 Should circumstances change, i.e. children becoming adults, Racing Homes reserves the right to review any tenancy granted.

5.0 ALLOCATION POLICY

5.1 Racing Homes employs a points system to prioritise the allocation of properties to applicants because we think this is the best way to allocate available accommodation in a fair manner.

5.2 The points system scores applicants on the basis of their circumstances and needs. Applicants with the greatest number of points (ie.highest ranked) will be prioritised when accommodation of a suitable property type becomes available.

- 5.3 Circumstances and needs taken into account to rank applicants for each property type are as follows;

Young People’s Accommodation

Age, current housing circumstances, personal circumstances, health, financial and social.

Full details of the Scoring System are shown at Appendix A.

Older People’s Accommodation

Current housing circumstances, length of service to the Racing Industry, health, financial and social.

Please note that applications will not be accepted from under the age of 50.

Full details of the Scoring System are shown at Appendix B.

General Needs Adapted Accommodation

Current housing circumstances, length of service to the Racing Industry, health, financial and social.

Full details of the Scoring System are shown at Appendix C.

- 5.4 Each year applicants on the Housing Register will be required to complete a Revision Form to record any changes in their circumstances and needs. Failure to return a Revision Form within 21 days will result in the applicant automatically being removed from the Housing Register, (unless exceptional circumstances apply).

6.0 ALLOCATION PROCESS

- 6.1 When a property becomes available, Racing Homes will offer the property to the highest ranked applicant on the Housing Register for the relevant Housing Type. Prior to being offered a property the applicant will be asked to confirm that their circumstances have not changed since their application or the most recent Revision. (If the applicant’s circumstances have changed the property could be offered to the next highest ranked applicant.)
- 6.2 Following a viewing, the applicant will be offered a tenancy in writing. If the applicant fails to accept the offer (verbally or in writing) within 48 hours of receipt of the offer this will be taken as rejecting the offer. In that case the property will be offered to the next highest ranked applicant on the Housing Register.
- 6.3 When the applicant has confirmed they wish to take a tenancy of the property Racing Homes will confirm the offer writing, and provide further information, such as the date of a Sign Up appointment.

7.0 EXCEPTIONS
